## Delivery Information & Terms & Conditions

### Delivery information

Deliveries are made usually using a narrow trailer and can be delivered to the closest point of use, we can tip direct or deliver in a bulk bag.

Barrow and spreading services to back garden etc is available, please ask for details.

Deliveries can be made in your absence if payment is made prior to delivery and you have clearly indicated where to leave the gravel.

Deliveries are normally made between 8.00am and 7.00 pm

We aim to deliver all goods on the requested delivery day and will contact you to confirm. However we cannot be accountable for late deliveries as a result of factors outside our control, such as increased traffic, severe weather conditions and breakdown of delivery vehicles. In this circumstance we

aim to keep you as informed as possible.

We advise that if you need the goods for landscapers or builders etc, you order the goods to arrive in good time before the work is due to commence.

If you have any queries concerning this or any other issue please call us immediately on 01425 477598.
